Rear Admiral Felix L. Johnson Director of Neval Intelligence Hoom 50-626, The Pentagon

Dear Admiral Johnson:

In order that the Secretary of the Mavy and top operational and intelligence personnel in the Department of the Mavy may, as required by their duties, have access to the Current Intelligence Bulletin, I have directed two copies of this publication be forwarded to OP 322-I, in addition to the one copy now directed to Admiral Sherman. For reasons which I am ours are obvious to you, I must ask that in forwarding one of these additional copies to the Secretary of the Mavy; you retain the other in OP 322-Y and permit access to it only on the most limited need-to-know basis.

limeraly,
